

Gone are the days of yesteryear of ladies dressed up in hats and white gloves, drinking tea. Today's members love flowers and like sharing their love of flowers with friends. They are stewards of the environment and make choices in their everyday lives to conserve water, avoid or minimize pesticide use, and a willingness to make a positive impact on our environment through plantings at their homes, balconies, or public places. Our members are from all walks of life

- locals and northern transplants
- men and women
- young and young at heart
- retired and currently employed
- "diggers and designers"

.....all share a love of plants and flowers and a willingness to learn and impart their knowledge to others

A place for everyone

WHAT IS GARDEN CLUB?

.....Discovering how to garden in Florida; what grows best here, how to fertilize and what to plant and when....don't make any more of those "northern gardener" mistakes

.....Fantastic speakers at the local club level, educational exhibits at District meetings, and interesting workshops at State Convention

.....Entering a piece of horticulture at the Fall Flower Show, clerking at the Pensacola Fair, joining the local horticulture study group, taking the Floral Design Study Series, or becoming a certified Flower Show Judge

.....Volunteering with your club, getting involved in fundraisers and special events, and receiving a State or National Award for your effort

.....Supporting conservation projects to provide protection from pollution and misuse of natural resources. Creating a heritage for the future by participating in landscaping homes for Habitat for Humanity, our area schools, and numerous other landscape plantings at our libraries, parks and airport.

GARDEN CLUB IS...

**A lifetime of
educational opportunities**

Pensacola Federation of Garden Clubs has over 225 members. Benefits of membership include

A subscription to the *Florida Gardener* magazine published four times a year by FFGC

A subscription to Pensacola Federation of Garden Club's monthly newsletter *The Camellia*

Monthly Circle meetings with a program
Garden Tours

Library of Resource Books

Annual Yearbook

Other opportunities exist to participate in

Flower Shows

Floral Design Classes

Flower Show Schools

Gardening Study Courses and "Diggin It"

Environmental Study Courses

We maintain relationships with many local organizations to assist you in furthering your special interests

Camellia Club, Daylily Club, Bonsai Society
Plant Societies

Pensacola Interstate Fair

Panhandle Butterfly House

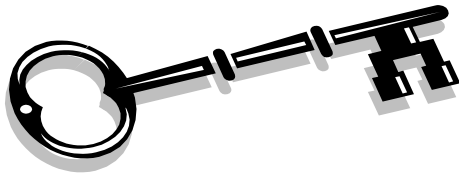

Escambia/Santa Rosa County Ext Services

Master Gardeners

Cost of Membership is anywhere from \$30-\$50 a year. Also within your club donations of various raffle basket items, door prizes, and baking are commonplace. Eating always goes hand in hand with "Garden Club."
